AMERICA see thy free born Sons advance,
 And at thy tyrant point the threatning lance,
 Who with grim Horror, opens his Malt-like Jaws,
 And MAGNA CHARTA grasps between his Claws,
 Lo BOSTON brave, unflin'd by Placemans Orders,
 Attacks the Monster and his venal Tribes,
 See loyal HAMPSHIRE to his Country true,
 Presents his Weapon to the odious Crew;

 And A Scjanus loud for Mercy call!
 Whelp brave RHODE ISLAND, & NEW YORK support,

 Front to VIRGINIA, bold NEW HAMPSHIRE stands
 All firmly sworn to shake off slavish Bands
 And each united Province faithful joins
 Against this Monster and his curst Designs
